

# ***Keeping the Love You Find***

***A Weekend Workshop for Individuals***

**Ever wonder why you are drawn to certain people or how to have a successful relationship?**

*Have you ever wondered why your relationships don't work?*

*Do you ever think that you're not meant to be in a relationship?*

*Have you ever asked yourself why you keep choosing the wrong partners?*

***Garet & Kevin found each other after asking the same questions. Now they help others learn the secrets to finding & keeping love, even when they wonder if it's possible.***

**Join them and you will be surprised when:**

- *You feel a renewed commitment to finding the love of your life (Yep, it's possible)*
- *You look forward to dating again. (Think of all the fun you can have meeting new people)*
- *Your relationship is the best it's ever been. (You even wonder what happened)*
- *Your friends all want to know why you're so happy. (They want what you're having!)*
