Under Vermont Law, an equine activity sponsor is not liable for an injury to, or the death of, a participant in equine activities resulting from the inherent risks of equine activities that are obvious and necessary, pursuant to 12 V.S.A. § 1039

In consideration, therefore, for the privilege of riding and/or working around horses at New England Center for Horsemanship, located at 761 Weatherhead Hollow Rd Guilford, Vermont, or any other location that Heidi Potter may be instructing, the Undersigned does hereby agree to hold harmless and indemnify New England Center for Horsemanship, Heidi Potter, Robert Potter, Garet Bedrosian, their clinic/workshop hosts and further release them, their family, heirs, employees, and/or associates from any liability or responsibility for accident, damage, injury, illness, or death to the Undersigned or to any horse owned or ridden by the Undersigned or to any family member or spectator accompanying the Undersigned on the premises.

I understand that use of an ASTM/SEI certified helmet and proper footwear are required at New England Center for Horsemanship and strongly encouraged for all horse related activities elsewhere, and personally accept all consequences for my decision to wear or not wear them.
